## **FIRST OF SEVERAL PUBLIC WORKSHOPS SET FOR GLENDALE GENERAL PLAN** *Opportunity for Community Input*

**GLENDALE, Ariz.** -- Glendale residents are invited to offer input at the first of three public workshops on the Glendale 2040 General Plan. The first meeting is scheduled for Wednesday, March 25th from 5:30 p.m. to 7:30 p.m. at the Glendale Civic Center located at 5750 W. Glenn Drive.

Every city and county in Arizona is required by state law to prepare and maintain a planning document called a general plan. A general plan is designed to serve as the jurisdiction's "constitution" or "blueprint", and is the document that is used by the City Council and Planning Commission to guide future land use, public service, and resource decisions. All plans, subdivisions, public works projects, and zoning decisions must be consistent with the general plan.

As part of its Envision Glendale 2040 project, Glendale's General Plan update will cover the topics that are covered in the current General Plan (such as land use, growth areas, and circulation), as well as add some new topics required by Arizona law and local needs (such as energy and neighborhood preservation).

The March 25 workshop is the first of three public meetings. Dates for the other two meetings will be announced in the coming months.
